

Our Remote Learning Offer

Scenarios					
A	B		C	D	
The school is open to all students	Individual or smaller groups of students are required to self-isolate		Public Health England recommend that a larger number of students need to isolate	Public Health England recommend that the whole school has to lockdown, either due to national policy or due to a spike in the local area.	
The COVID-19 school risk assessment continues to be implemented and adhered to in order to minimise the risk for students and staff.	<p>Student is symptomatic at home and awaiting the outcomes of a test.</p> <p>NB: If the student is unwell, they will be unable to engage with a remote learning plan.</p>	Individual students are at home and self-isolating for up to 10 days.	A small group of students are at home and self-isolating for up to 10 days.	A full year group bubble is at home and self-isolating for up to 10 days.	If the school is closed to all but key worker and vulnerable students, then we will continue to provide a full time remote curriculum to all learners immediately.
<p>Teaching and learning will continue as normal.</p> <p>Some practical activities may be altered or substituted for other tasks to minimise the risk of transmission.</p> <p>Heads of Faculty have already modified the curriculum for their subject to reflect the summer lockdown. They will continue to review and adapt as necessary to ensure all students continue to access the relevant content in the ever-changing timeframes.</p>	<p>A remote learning web based offer will be provided that closely follows the school's curriculum map.</p> <p>The National Oak Academy website will be predominantly used to provide quality video lessons for students.</p> <p>These lessons include verbal subject content, together with relevant tasks and short quizzes that provide students with an indication of their level of knowledge and understanding. A guide on how to access this can be found via the link below. Accessing work when isolating from home</p> <p>Some staff may choose to set alternative work that does not involve the National Oak Academy. This will also closely follow the school's curriculum map.</p> <p>Individual students who are isolating should use the link above to access work immediately as their isolating commences.</p> <p>Groups of students isolating will have work set via Show My Homework (Satchel).</p>	<p>Individual students are at home and self-isolating for up to 10 days.</p>	<p>A small group of students are at home and self-isolating for up to 10 days.</p>	<p>Students should try and follow their normal daily timetable as much as possible.</p> <p>Staff will set pre-recorded lessons for students that follow the normal curriculum map. These lessons will provide clear learning objectives and will include information regarding subject content. Relevant tasks will be included that students complete as instructed. Students can pause, rewind and re-watch the videos at any point. There may be short tests or quizzes to test students' knowledge and understanding.</p> <p>Students can email the member of staff if they have any questions about the work.</p> <p>Students should submit the work as instructed by the individual member of staff.</p> <p>All work will be set via Show My Homework (Satchel).</p>	<p>All work will be set via Show My Homework (Satchel).</p> <p>There will be a variety of methods used in order to set work. These could include:</p> <ul style="list-style-type: none"> Pre-recorded lessons by either the student's teacher or another subject specialist Video lessons from the National Oak Academy website. Tasks and instructions set via power points or similar formats. Online quizzes and tests. <p>Work should be submitted as directed by the individual staff member. Staff will be available to students via email for any concerns and questions.</p> <p>Form tutors will be in contact with their tutees. Engagement of work is monitored and intervention will occur where required.</p> <p>Students who are considered vulnerable will receive regular contact.</p>
