Universal Infant Free School Meals (UIFSM)

In 2014 the UIFSM policy was introduced. All children in reception, year 1 and year 2 were entitled to a free meal regardless of personal circumstances. This is subject to change with government policy but has been confirmed for the academic year 2019 to 2020. To get your free meal please ask at your child's school.

Website

Free school meal entitlement

All children aged 3 to 18 at Derbyshire nurseries or schools can get a free meal if they qualify. Qualifying criteria:

- Universal Credit, provided they have an annual net earned income not exceeding £7,400 (£616.67 per month)
- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance
- support under Part 6 of the Immigration and Asylum Act 1999
- the guarantee element of State Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190) as assessed by HMRC

Working Tax Credit run-on (paid for 4 weeks after you stop qualifying for Working Tax Credit)

<u>Universal Credit</u> has begun to be rolled out in Derbyshire and will affect all areas of Derbyshire by the end of 2022.

Most families will not be affected by the new criteria. Families who are currently claiming free school meals, but fail to meet the new criteria, will continue to receive free school meals until the end of the Universal Credit rollout period, even if they continue to appear as no longer eligible on future reports. The rollout period is currently scheduled to end in March 2022.

Once Universal Credit is fully rolled out, pupils will keep their free school meal entitlement until the end of their current phase of education, that is, primary or secondary.

Read more about free school meals guidance for schools and local authorities.

Young people age 16 to 18 who receive the benefits or tax credits in their own right are also entitled to receive free school meals.

Even if you meet any or all of the criteria, families will not be eligible if they are claiming Working Tax Credit.

Applying for free school meals

You can sign up for free school meals at any time of year.

You or your partner can claim for your children, as long as you live at the same address.

You do not have to fill in a separate form for each child, even if they go to different schools. Just name the child and which school they go to.

If another of your children starts school and one of your children already has free school meals, we can add them to the application you already have. Just call the free school meals team tel: 01629 536400 or 01629 536481.

Apply for free school meals

If your circumstances change or you stop getting some benefits, you must contact us, tel: 01629 536481.

Welfare Benefits

Derbyshire Welfare Rights Service

Welfare Benefits

Thousands of people in Derbyshire are missing out on benefits that are theirs by right.

Sometimes the system doesn't make it easy for you to understand the rules about benefits or how to claim the benefits you are entitled to.

We can help with advice and can take on any representation that you may need.

- We deal with welfare benefits and tax credits, sometimes referred to as social security.
- We can give advice over the phone about which benefits to claim and how to claim them.
- We can send out claim forms and advise on how to challenge decisions by the benefits authorities.
- We can assist with benefits appeals, including representing Derbyshire claimants at tribunal hearings.

If you disagree with a benefits decision you only have one month in which to challenge the decision, so you need to seek advice right away.

If you need help filling in benefit claim forms, your local Citizens Advice Bureau can help.

Warm Home Discount Scheme

Overview

You could get £140 off your electricity bill for winter 2020 to 2021 under the Warm Home Discount Scheme. The money is not paid to you - it's a one-off discount on your electricity bill, between September and March. You may be able to get the discount on your gas bill instead if your supplier provides you with both gas and electricity. Contact your supplier to find out.

The discount will not affect your Cold Weather Payment or Winter Fuel Payment.

Eligibility

There are 2 ways to qualify for the Warm Home Discount Scheme: you get the <u>Guarantee Credit element of Pension Credit</u> - known as the 'core group' <u>you're on a low income</u> and meet your energy supplier's criteria for the scheme - known as the 'broader group'

How you apply for the Warm Home Discount Scheme depends on how you qualify for the discount.

Pre-pay or pay-as-you-go meters

You can still qualify for the discount if you use a pre-pay or pay-as-you-go electricity meter.

Your electricity supplier can tell you how you'll get the discount if you're eligible, for example a voucher you can use to top up your meter.

Park (mobile) homes

You apply a different way if you live in a park home.

Park home applications for winter 2020 to 2021 are now closed.

Fill in the Park Homes Warm Home Discount application form to be contacted when the scheme reopens.

Morrisons Foundation - Covid 19 Homeless Support Fund

The Morrisons Foundation has announced a Homeless Support Fund aiming to fund charities caring for the homeless during the Covid 19 outbreak and ensure help gets to those who need it. The Foundation recognises that homeless people are particularly vulnerable to Covid 19 because of underlying health conditions and are less able to access basic sanitation.

There is a total of £500,000 for this fund and awards of up to £10,000 are available. Smaller requests will allow more charities to be supported from the fund.

Registered charities that care for the homeless can apply to cover the broad areas:

- Outreach and support to rough sleepers
- Delivery of services in hostels and shelters
- Information and advice

Applications can be made at anytime.

If you're struggling with finances and finding it difficult to pay your rent, it's important that you act as soon as possible to avoid becoming homeless.

Mental Health Emotional wellbeing/ Staying active

The coronavirus (COVID19) outbreak is going to have an impact on everyone's daily lives, as the government and the NHS take necessary steps to manage the outbreak, reduce transmission and treat those who need medical attention.

It may be difficult, but by following guidance on social distancing, or staying at home, you are helping to protect yourself, your family, the NHS and your community.

During this time, you may be bored, frustrated or lonely. You may also feel low, worried, anxious, or be concerned about your health or that of those close to you. Everyone reacts differently to events and changes in the way that we think, feel and behave vary between different people and over time. It's important that you take care of your mind as well as your body and to get further support if you need it.

At a time when community cohesion is needed more than ever, sadly we continue to see instances of Hate Crimes that threaten the safety of individuals in our community.

A hate crime is any crime which is perceived by the victim or anyone else, to be motivated by a hostility or prejudice towards someone because of their identity.

We would encourage all hate incidents to be reported to the police. Derbyshire County Council jointly funds StopHateUK to provide support, advice and alternative reporting to anyone effect by hate crime.

Grants for families raising disabled children are available now from Family Fund

Family Fund is a UK-wide charity that provides grants for essential items to families on low incomes raising disabled or seriously ill children.

Since the beginning of the pandemic, Family Fund has continued to provide vital support to families, and has seen a significant increase in applications. Research indicates that half of the families they support have lost income as a result of the pandemic.

In May, in response to this extra need, the Department for Education provided a further £10 million in additional funding to the £27.3 million it had already committed to Family Fund, which has allowed them to support thousands more families.

This funding is still available, and families can apply for a grant right now by visiting the <u>Family Fund</u> <u>website</u>. All families can apply online, by downloading an application pack, or by ordering a pack to be sent to them.

Information See Hear Respond

The See, Hear, Respond Partnership is a new service funded by the Department for Education. With your help, the See, Hear, Respond Partnership will quickly identify and support children, young people and families who are struggling to cope with the impacts of coronavirus.

Its aim is to provide early intervention before these children reach the threshold for statutory intervention.

See, Hear, Respond does not replace your usual referral process for children who meet a statutory threshold for significant harm: such referrals must be made to your local authority safeguarding team using your usual safeguarding procedures.

The See, Hear, Respond Partnership has been created specifically to help children and young people in England who are experiencing harm and increased adversity during coronavirus, by providing support to those who are not being seen by schools or other key agencies. There is no minimum threshold for referral. We will support children from pre-birth up to 18 years of age and those with special educational needs under the age of 25.

See, Hear, Respond will contact every referral made to us, so no child gets missed. We'll then find a partner best placed to support the most isolated and at risk children in your area. They'll get help in one or more of four ways:

Derbyshire Community Response Unit CRU

We're co-ordinating a massive community response across the county to make sure vulnerable residents are supported through the coronavirus outbreak.

We're calling on Derbyshire's strong network of community groups, voluntary organisations and businesses to help by joining the Derbyshire Community Response Unit. Do you belong to a business or group that could help supply goods or services?

The Community Response Unit will help those in need by delivering services such as:

- food shopping and delivery
- checking up on people who are isolated with a phone call or online help to prevent loneliness and check whether there is anything they need
- collecting and delivering prescriptions
- preparing meals.

Residents who could be helped by the Community Response Unit include those who are self-isolating because they, or a member of their household, is at risk from coronavirus. Support will be offered to residents struggling to meet their basic needs because of financial, social and health restrictions – including pregnant women, people with some underlying health conditions and those aged 70 or over.

If you're involved in a community group, voluntary organisation or business and you have members who are below the age of 70 who are fit and well then we want to hear from you.

If you have any questions, please do not hesitate to contact us via email: help.offered@derbyshire.gov.uk

Press Release 11.09.20 Arts Derbyshire - A Necklace of Stars

Following on from the success of the first phase of *A Necklace of Stars*, we are looking for older adults who are housebound (aged 65+) from across Derbyshire to join us in a creative writing and embroidery project.

Arts Derbyshire is running a remote embroidery and creative writing project where participants receive weekly* one to one phone calls with artists 'arthur + martha'. The artists will guide people through the process of creating beautiful embroidered stars or creative writing themed around lullabies, for free.

The embroidered stars will be brought together to create a quilt which will be exhibited alongside the creative writing and lullaby soundtrack around Derbyshire's cultural venues in 2022.

A Necklace of Stars hopes to increase confidence and wellbeing, reduce loneliness, forge connections and re-ignite creativity.

If you are interested in taking part in this project (whether you have no experience or plenty), or know of someone who might enjoy getting involved, please contact Sally Roberts on 07395 904386 or email sallyartsderbyshire@gmail.com

A Necklace of Stars is an Arts Council England supported collaboration between Arts Derbyshire, DCC Public Health, Derbyshire Library Services and arts organisation arthur+martha.

* Weekly phone calls for approximately 4 weeks or until you are happy with the work you have created.

As we move closer to babies and young children returning to nursery, we need to consider how their experiences over the past months will have affected them, and what impact this may have on their transition back into childcare.

Volunteering

Coronavirus (COVID-19): health, care and volunteer workers parking pass and concessions

This guidance describes the terms of use around the government's free council car parking scheme for NHS workers, social care workers and NHS Volunteer Responders.

Derbyshire Carers Telephone Befriending

Telephone Befriending at <u>Derbyshire Carers Association</u> (DCA) is a regular friendly call from a fully trained volunteer to help alleviate isolation and provide some company and light conversation to adult Carers (over 18) within Derbyshire (not Derby City). DCA phone volunteers give support, reassurance, a listening ear.

The DCA Telephone Befriending service is continuing to run in the usual manner throughout the COVID-19 period. DCA established Volunteer callers are continuing to make their calls

from home, as usual, to Carers they have previously been matched with, as well as any new Carers needing a chat. DCA Peer Support staff are also helping to provide befriending calls to isolated Carers during this time of increased need.

During the COVID19 period DCA are able to continue to offer support from their Telephone Befriending service to those Carers who are, or have become, more isolated or who are extremely vulnerable. Support and signposting can also be provided during the calls, where the Carer is in need of other information and local support.

If you feel you as a Carer would benefit from telephone support, or wish to discuss the Telephone Befriending, please contact DCA on: 01773 833833

Wykonanie testu przy objawach wirusa

Każda osoba, niezależnie od wieku, u której pojawią się objawy zakażenia koronawirusem, może wykonać test.

Zarezerwuj test w ciągu pięciu dni od wystąpienia wysokiej temperatury, nowego, nieustannego kaszlu lub utraty bądź zmiany działania zmysłu węchu lub smaku.

Jeśli masz objawy lub wynik testu na koronawirusa okazał się pozytywny, będziesz musiał przebywać w domowej kwarantannie przez co najmniej 10 dni. Wszystkie osoby z Twojego domu muszą pozostać w domu przez 14 dni.

Jeśli ktoś w Twojej grupie wsparcia ma objawy lub wynik testu tej osoby na koronawirusa okazał się pozytywny, Ty również musisz pozostać w domu przez 14 dni.

W trakcie kwarantanny nie wolno Ci wychodzić z domu:

- Nie chodź do pracy, szkoły ani do miejsc publicznych
- Nie chodź na zakupy ani do apteki zamawiaj online lub poproś kogoś, by przyniósł Ci zakupy do domu
- Nie przyjmuj w domu gości, w tym przyjaciół ani rodziny z wyjątkiem osób zapewniających niezbędną opiekę

Zachowaj się właściwie, by ochronić przyjaciół i rodzinę

Jeśli wynik Twojego (lub kogoś z Twojego domu) testu na koronawirusa okaże się pozytywny, skontaktuje się z Tobą zespół z programu NHS Track and Trace. Będziesz musiał odpowiedzieć na pytanie gdzie byłeś i z kim się kontaktowałeś. Udzielenie prawdziwych informacji jest ważne, by zadbać o bezpieczeństwo innych osób.

Osoby, z którymi się kontaktowałeś będą musiały odbyć domową kwarantannę, by zapobiec rozprzestrzenianiu się wirusa. Jeśli zostaniesz wykryty jako ktoś, kto kontaktował się z zakażoną osobą, także będziesz musiał pozostać w domu przez 14 dni.

Jesteśmy w tym razem. Zachowując się właściwie pomagasz chronić swoich przyjaciół i rodzinę, dzięki czemu sytuacja szybciej będzie mogła wrócić do normy.
