

# Our Remote Learning Offer

Scenarios				
A	B		C	D
The school is open to all students	A small number of students are required to work from home		Public Health England recommend that a larger number of students need to isolate	Public Health England recommend that the whole school has to lockdown, either due to national policy or due to a spike in the local area.
The COVID-19 school risk assessment continues to be implemented and adhered to in order to minimise the risk for students and staff.	Individual students are having to work from home.	A small group of students are having to work from home.	A full year group is having to work from home.	If the school is closed to all but key worker and vulnerable students, then we will continue to provide a full time remote curriculum to all learners immediately.
<p>Teaching and learning will continue as normal.</p> <p>Some practical activities may be altered or substituted for other tasks to minimise the risk of transmission.</p> <p>Heads of Faculty have already modified the curriculum for their subject to reflect the summer lockdown. They will continue to review and adapt as necessary to ensure all students continue to access the relevant content in the ever-changing timeframes.</p>	<p>A remote learning web based offer will be provided that closely follows the school's curriculum map.</p> <p>This work will change every half-term to ensure it is consistent with each subject's curriculum map. These online lessons will include a variety of formats, including Oak Academy lessons, pre-recorded lessons by our own subject teachers, or other web based lessons and resources such as BBC Bitesize.</p> <p><a href="#">The remote learning guide can here access via the link here.</a></p> <p>The remote learning guide containing links to the online lessons will also be continuously on Show My Homework (Satchel One) for students to access.</p>		<p>Students should try and follow their normal daily timetable as much as possible.</p> <p>Staff will set pre-recorded lessons for students that follow the normal curriculum map. These lessons will provide clear learning objectives and will include information regarding subject content. Relevant tasks will be included that students complete as instructed. Students can pause, rewind and re-watch the videos at any point. There may be short tests or quizzes to test students' knowledge and understanding.</p> <p>Students can email the member of staff if they have any questions about the work.</p> <p>Students should submit the work as instructed by the individual member of staff.</p> <p>All work will be set via Show My Homework (Satchel One).</p>	<p>All work will be set via Show My Homework (Satchel One).</p> <p>There will be a variety of methods used in order to set work. These could include:</p> <ul style="list-style-type: none"> <li>Pre-recorded lessons by either the student's teacher or another subject specialist</li> <li>Video lessons from the National Oak Academy website.</li> <li>Tasks and instructions set via power points or similar formats.</li> <li>Online quizzes and tests.</li> </ul> <p>Work should be submitted as directed by the individual staff member. Staff will be available to students via email for any concerns and questions.</p> <p>Form tutors will be in contact with their tutees. Engagement of work is monitored and intervention will occur where required.</p> <p>Students who are considered vulnerable will receive regular contact.</p>
