Executive Headteacher: Mr M Hall

September 2026

Dear parent/carer

As we have now started the school year, we hope your child has settled into their new surroundings and is enjoying being part of The Bolsover School community. The step up to secondary school is always a daunting experience for both students and parents and we continue to try and make this transition as smooth and informative as possible. We are therefore hosting a Year 7 Welcome Evening in school for all parents of Year 7 students. This will be an opportunity for you to speak with your child's form tutor and gain an early insight into how they have started at school. It will also provide an opportunity for you to ask any questions you may have about the school or your child.

The evening will take place on **Wednesday 7th October** with appointments available between 3:45–5:45pm. Parents are able to book a face-to-face 15-minute slot with their child's form tutor. This evening is in addition to the usual parents evening which is later in the academic year where you will be able to speak with all your child's subject teachers.

All parent evenings at school use the same online booking system and the link for this can be found below.

<https://parents-booking.co.uk/bolsover>

To login you will need to enter:

- Your first name and surname
- Your child's first name, surname and date of birth

The login details you enter must match those we have on record for you.

Please fill in the required details on the link and then select whichever available slot is most convenient to yourself. If you experience any issue when booking an appointment or need any further support, please contact school.

Kind regards

Mr J Pridmore

Deputy Headteacher
