Give consent by 6th May 2026 to protect your child against preventable diseases

A reminder that your child is now due their HPV (Human Papilloma Virus) vaccine. These will take place in school on 20th May 2026.

The vaccine protects your child from Human Papilloma Virus. Without it they might not stay protected from these diseases for life.

Please give or refuse your consent by 6th May 2026 using this [link](#).

Young people can consent to their own health care if they are assessed as being able to do this. For further information on young people's right to consent please click [here](#).

Information regarding these vaccines is available on the NHS website:
[HPV vaccine - NHS](#)

Some videos that you and your child might find useful are:
