March 2024

Dear parent/carer

I would like to take this opportunity to say how pleased we are with the response of our Year 11 students in the preparation for their examinations. Since my last correspondence to parents we've had a record number of students attending our after school Home Straight revision sessions. Each time a student attends one of these they are increasing the likelihood of achieving a higher grade, and those who have attended many of these sessions will have significantly boosted their chances of an improved grade in the summer. The timetable for each subject can be seen in the table below. These run every Tuesday, Wednesday and Thursday right up to the exams, between 3:00 – 4:00pm. Students can sign up for the late bus if they have trouble getting home at this later time.

Can I please ask that you continue to encourage your child to attend these Home Straight sessions as it really will make a positive difference to their grades. With exams just being two months away this is a great opportunity for students to prepare themselves for their GCSEs. We are very pleased and proud of their current commitment to these Home Straight sessions and hope this continues over the coming weeks.

Kind regards

Mr J Pridmore

Deputy Headteacher

Make every day count

Please encourage your child to attend as many of these sessions as possible. They make a huge difference to their GCSE grades.

	Week 1 3:00-4:00pm	Week 2 3:00-4:00pm
Tuesday	Art Business Studies Computer science & DIT Cambridge National PE Photography Physical Studies Textiles Health & Social Care	Science
Wednesday	Food & Nutrition Geography History Music	English
Thursday	Design & Technology Drama Further Maths Languages (all three) Psychology Triple Sciences	Maths Further Maths
