

4Positive COMMUNITY INTEREST COMPANY Young People

Supporting young people and families to thrive together

Our Early Help officer will work with our school to provide help and support with children & families

Early Help Support

What we do...

- Work with families to support them in building positive & sustainable lives through 1:1 support, resources & trusting relationships
- Help families & children to build resilience, encouraging positive life choices
- Support with all early help interventions helping break down barriers
- Support families with appointments & meetings
- Complete TAFs, EHA's, GCPs
- Support children & their families within the home or at school

What we aim to deliver...

- Ensure that children & families are supported
- To provide wrap around support services for young people in the community & school environment
- To provide coherent & consistent practices in working with children & their families
- To equip young people with a life skills toolkit
- To encourage achievement for all by effectively working in the community to overcome barriers to learning

P4YP are commissioned by The Bolsover School to deliver Early Help interventions on our behalf.

The early help support is accessed via referrals from school.

Our Early Help Officer from P4YP is **Sarah Wilson** and you can make contact by emailing s.wilson@p4yp.onmicrosoft.com
