Arbor is coming – September 2026

Dear Parents and Carers,

We are excited to announce that we will be moving our Management Information System (MIS) from SIMS to Arbor in September 2026.

Adopting Arbor will enable us to communicate with you more efficiently and bring all core school data and workflows into one integrated system.

We are looking forward to getting started with Arbor and invite all parents and carers to download the Arbor App using the QR code on the attached poster.

For guidance on accessing the Parent Portal and Arbor App, please visit:

[Getting started - Log into the Parent Portal and the Parent App](#)

Arbor also offers access to many training resources which are completely free for you to make the most of! These can all be found [here](#).

We will send further communication on the parental app and how to register in the near future, please look out for this information and register your child when prompted.

Please note that initially, ParentPay will still be in use but further down the line this will also cease in favour of functions that will be used within Arbor.

We hope you are as excited as we are about the benefits this new system will bring.

Yours faithfully

The Bolsover School
