Dear Parent/Carer

### **Addition to the School Uniform Policy**

As part of the COVID-19 regulations being followed in school, classroom windows and doors remain open to allow ventilation during lessons. However, as the colder, winter months approach, we are mindful of students feeling cold and the decision has therefore been taken to make an addition to our school uniform policy.

With immediate effect, students now have the **option** of wearing a V-neck, plain black woollen jumper **under** their blazer, if they wish. The jumper can be purchased from [any outlet](#) but there is also the option of purchasing this item from Logo Leisurewear if preferred. Logo Leisurewear are also looking at adding a jumper with the school logo to their uniform range but this is **not a compulsory** item of school uniform.

Please can we stress that crew-neck jumpers, hoodies and sweatshirts are not allowed and that the jumper is to be worn under the blazer and not instead of the blazer.

Whilst not ideal, keeping windows open even on cold days is crucial to maintain the welfare and safety of our students and staff during these unusual times but this change to our policy may go some way to help keep our students warmer as the COVID-19 restrictions remain in place into the autumn and winter months.

Yours faithfully,

Mrs L Hayes  
School Business Manager
