

EXCLUSIONS POLICY

Approving Body:	Local Academy Board
Date Approved:	March 2021
Review Date:	March 2022

The school endeavours to provide a range of provision in order to support the different learning needs of students and in order to ensure that where possible students are included within the school community.

However, at times it may be necessary to remove students from lessons, their normal provision or the school if, despite support and encouragement, they seriously violate the school rules, or where the continued presence of the student is a serious threat to the safety and/or learning of others.

Permanent exclusions will only be carried out when other strategies have failed or the incident is of a particularly serious nature. In all cases of any of these sanctions, the school will work in line with DfE guidelines that are detailed in the link below: -
