NEW 16-19 Free School in Bolsover

Dear Parent/Carer

Redhill Academy Trust is planning on opening a new 16 -19 Free School in Bolsover with an intended opening date of September 2026. The Redhill Academy Trust will provide an outstanding 16-19 educational experience for up to 400 young people in Bolsover and the surrounding areas. The Bolsover School will act as one of the main feeders into the new 16 – 19 school.

The Redhill Academy Trust takes pride in serving our communities with a clear purpose of improving children's futures and contributing to positive social mobility in the region, we believe in high aspirations, high expectations and high achievement for all.

The Redhill Academy Trust's vision is to build a modern and ambitious academic centre with a curriculum consisting of academic A-Levels and vocational T-Levels, with a priority to boost skills and employability within the local area by considering the needs of local businesses and providing a pathway into university or employment/further training.

A site for the building is still under discussion with the Department for Education, however, the intended location will be within Bolsover.

We would be very grateful if you could complete a short survey about the new 16-19 school by scanning the QR code below, or by following the link [16 - 19 Free School](#)

Yours faithfully,

Matt Hall

Headteacher – The Bolsover School
